nhosamente no rosto.

ATC

ATCs stands for Art Trading Cards. They are miniature art pieces, typically 3,5 inches wide and 2,5 inches high, between a pair of standard ATC sleeves. They are a demonstration of your artistic skills and a piece of artwork. When created, they are normally sold in sets of 10. ACEO's that are sold in sets of 10 are called Editions and are sold for a higher price.

On a Double-Sided ATC, one person sends the card to a second person. The second person signs the top of the card and returns the card to the sender. On the ATCs, you sign and write the name of the person who received and the date of creation.
