Dear Miss Torstensen;

Thank you for your kind words. I am glad that you have enjoyed my work entitled "SHOWER". Unfortunately, at the moment, I am quite busy with my daily regular routines and so forth... so I do will try to give you a more concrete answer as soon as possible.

For the time being, let me just inform you that all the details and formalities will be mailed on my next letter.

PS

The Stamp (PORTO) that you used is still valid so I am sending it back to you.

Sincerely
